Welcome To The GCR Newsletter

Pace University’s Department of Government and Community Relations (GCR) is proud to present our first E-Newsletter. On the third Monday of every month we will send friends of Pace information on events, programs and initiatives taking place at the University. Over the next twelve months the E-Newsletter will also highlight Pace’s Centennial Celebration. Thank you very much for your interest in Pace University and good luck in the New Year.

Pace University's Centennial Celebration

Over the next 12 months, Pace University will celebrate the 100th anniversary of its founding in 1906. Through a series of lectures, symposia, service activities, and other special events, we will reflect on our mission of *Opportunitas* and our tradition of innovation. We will look to make those values relevant for our times and we will examine the future role that Pace will play in the world of higher education and in society at large. Our exciting series of stimulating programs will bring recognition to the University and enhance its reputation as a leader in the academic world.
