Pace Lacrosse Wins Two NCAA Statistics Titles

PLEASANTVILLE, NY – The Pace University lacrosse team has won two NCAA Division II Statistics titles this season.

Jeremy Jablonski (Mastic, NY), an attackman, finished as the nation’s leading goal scorer among Division II schools in 2003. Jeremy, a freshman, scored 61 goals in 14 games, an average of 4.36 goals per game. He also broke the Pace freshman goal-scoring record, formerly held by Andrew Wasik who recorded 52 goals in 1998.

Also, the Pace lacrosse team's offensive unit finished first in the nation in scoring. Pace led all Division II schools with 19.07 goals per game. The Setters scored at least 20 goals in a game six times.

Two NCAA plaques will be added to the Setters' trophy case to mark the achievements.

Pace finished with an 11-3 record, tied for the second-best in the program's history, and was ranked third in the nation in the STX/USILA final poll.
