Nextel - Effective March 2004, the University has signed a contract with Nextel providing one rate for all users. All accounts will share 400 minutes and 250 direct-connect minutes that pool. This plan also includes long distance, unlimited nights and weekends, voice mail and caller ID. The cost to each user is $34.79 per month + surcharges. All new service requests will be put into this pooled plan and charged accordingly.

Reduced rates for telephone equipment are also in effect. Costs are: Model I730 -$149.90, I530 -$49.99, 7710 Blackberry -$249.99. The prices for equipment are subject to change.
