PRE-COLLEGE PERFORMANCE

Introduction to Theater & Acting
With an aim to explore all aspects of theater, students develop acting skills, engage in improvisation and perform scenes. Students find new ways of expressing characters through voice, movement, gesture, facial expression and emotional resonance. They write dialogue and scripts, block, direct, act in and showcase their work. No previous theater experience is required.
M - F 1:00pm-3:30pm
Summer Arts 1: $385

Action Ensemble Theater
Students explore theatrical process, seeking the connection between improvisational impulses and deeply meaningful messages. They learn solo and group skills of communication and creation, through gesture, movement, character, script and production. These techniques they improvise and build together, arriving at a public sharing from that process.
M - F 1:00pm-3:30pm
Summer Arts 2: $395
M - F 1:00pm-3:30pm
Summer Arts 3: $255

African Dance
This class offers an unique approach to the sounds and motion of dances of the African Diaspora. A balanced, vibrant stretch/strengthening warm-up rolls into movements from Africa, Brazil and the Caribbean. In this supportive environment, students also explore jazz hip hop and other invigorating styles. Students of all levels of dance experience welcome.
