The Student IT Resource Page

http://studentit.pace.edu

A one-stop student-oriented web page is available for all students. Links on this page include:

- online courses (Blackboard)
- online directory (student email lookup)
- e-mail (STMail)
- class schedule
- Pace Library and databases
- campus bulletin board
- online registration, grades and transcripts
- downloads for students

- campus weather
- IT research (Gartner Group)
- Google search engine
- Chat Live! with DoIT
- DoIT Customer Support Center
- student discounts for computer purchases

Note: Some options are only available through the Internal Pace Network (IPN)

Take a minute and try out this site that contains most of the links you'll need at Pace:  http://studentit.pace.edu.
